COLORING PAGES

Hey there!

Thanks so much for downloading these coloring pages!

I'm Pam -- wife, mama of 6 kiddos, former 1st grade teacher, Usborne Books & More team leader, and the face behind "Keeping Life Creative." I'm crazy-busy and usually overwhelmed, but try to keep every-day life and learning creative through good books and fun projects.

We love pairing themed coloring pages or craft projects with our favorite books. May I suggest a few titles?

I'd love to be your "book lady!" Purchasing books through my shopping link helps support my family and the creation of printables like these. Thank you so much!!  Pam
