CREATE-A-FISH

[Image of four colorful fish made from paper and paint]
Fish Template
Create a custom art piece with this fun template!

1. Print template; paint or color.
2. Cut template pieces.
3. Assemble with glue.
4. Add details with marker, if desired.
5. Mount on card stock, if desired.
6. Display!

Get creative with the pieces and arrange in different ways to create unique fish!

Have you joined our FREE Facebook group?

Keeping Life Creative with Books is a place to chat all about creative ways to promote literacy and teach and learn through stories and some of the best children's books.

This Facebook group is for anyone who:

* is obsessed with children's literature
* has a desire to promote literacy
* is looking for book-related teaching ideas (and printable freebies!)
* believes books can open the world to a child!

Come join us!
